Dear

Thanks so much for your nice note of congratulations and good wishes. I am delighted at the opportunity in this new job and look forward to attempting to serve our President and our country.

One of the nice parts about it is we are here in Washington where we see regularly. Through them and from a very nice letter from we are trying to keep up with those wonderful young people. I was impressed by what they are both doing in the teaching field and how dedicated they are in their outlook. I hope we will have a chance to visit with them again before long when they are up here on some occasion.

Would also hope to see you and if anything brings you this way. In the meantime, again many thanks.

Yours,

STANSFIELD TURNER
